10 Weeks CSA each season: Fall, Winter, Spring; OR sign up for 30 weeks (all seasons) and receive a 15% total share discount. You choose your veggies each week at our Farm Store.

What is CSA?
CSA stands for Community Supported Agriculture. Our CSA offers the unique opportunity for local farmers and their community to join forces into a mutually beneficial relationship. It is a popular way for consumers to buy top quality, local, seasonal produce directly from farmers.

How does it work?
You purchase a farm share for a growing season and make a commitment to share with the farmer both the bounty of the land and some of the risk. You pay the farmer at the beginning of the CSA and in return, each week you will receive a basket full of fresh picked, peak of ripeness, delicious, organic vegetables grown by a farmer you personally know and trust. In addition to your incredible produce, you will also receive a weekly e-newsletter with recipes, farm updates, and other useful tidbits.

What are the benefits?
You get to reconnect with your food source, support your local economy, and foster environmental education in your community. By joining our CSA you invest in the local economy and help keep our land productive, as well as, responsibly managed.

Do CSA Members get perks?
You bet they do! Members can volunteer for 5 hours during the CSA program and receive a $15 discount. Not only are you connecting with your food source, but you are saving money, too! CSA Members also receive 10% off any additional vegetables they purchase from us at market.
Why Join the CSA?

We’ve gathered just a few of the many reasons why a CSA might be right for you!

- Enjoy top quality vegetables harvested at the peak of ripeness
- Reconnect with your food source
- Support local economy
- Minimize your carbon footprint by eliminating middlemen, extra packaging, and food miles
- Foster environmental education in your community
- Receive tasty recipes and storage tips in our weekly newsletter
- Enhance your palate with unique varieties and heirloom vegetable.

What will be in the basket?

Your basket will be filled with the freshest vegetables so it just depends what is in season at the time. Here is an example of one week’s whole share basket, but keep in mind that the vegetables change depending on the season!

- Broccoli
- Salad Mix
- Rainbow Carrots
- Green Onions
- Kale
- Parsley
- Sunflower Sprouts

What does it cost to join?

We offer three seasonal shares: 10 weeks Fall, 10 weeks Winter, 10 weeks Spring. Each 10 week season cost $225.00 ($22.50 a week for farm fresh, seasonal produce!) For share members wishing to purchase the entire 30 weeks or three seasons, we offer a 15% discount off your total share purchase. We offer delivery services for an additional charge.
